Statement of Reasons for Allowance

1. Claims 1-37 are allowed.
2. The following is an examiner's statement of reasons for allowance.

The prior art made of record fails to anticipate or make obvious the claimed invention. Specifically, the prior art fails to teach, in combination with the remaining elements,

a method of communication to facilitate forums for discussion, said method comprising: providing an array of spaced apart locations at each of which a plurality of users may enter into discussion with one another, providing each location with indicia associated with a subject for discussion, displaying discussion topics by said indicia at said spaced apart locations, enabling users to gather together at said spaced apart locations to form groups to pursue the discussion indicated by said indicia, displaying a new discussion topic by at least one of said indicia at said spaced apart locations to set up a new discussion group, providing a remote control to remotely alter said indicia at at least one of said spaced apart locations to display new discussion topic to set up a new discussion group at said location, and controlling said indicia at at least one of said spaced apart locations remotely by said remote control whereby users may participate in person in structured and dynamic networked discussion as recited, or similarly recited, in claims 1, 3, 18, 19, 29, and 34.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
